Miron,

I was not able to speak with anyone regarding an intermediary bank as our bank closed at 5 pm MST. I will follow up in the morning.

I was wondering if there is another option to receive the funds rather than giving out our bank information?

Have a great evening!

Miron,

Can you give me an explanation as to what we are invoicing for? Is it a payment on the principal, earned past due earnings, interest due? I need to know what we are invoicing for before I can generate it.

Thank you!
